

Wheat Aleph and Wheat Bet

This week Reception have been learning all about clothes! We started the week off with a winter clothes scavenger hunt and then wrote a list of some clothes we might wear in winter. We have been practising measuring different items of clothes around our home and found out which item was the longest and which was the shortest. Reception have also been learning all about our number of the week, number 3! They found lots of triangles around their homes, as it has 3 sides and surprised us with other things they could find that had 3, such as the eyelashes on a 'my little pony'. Well done Reception you are working so hard and we are so proud!

Olive Aleph  
This week Year 2 have been looking at the plot of The Great Kapok Tree. We have been thinking about problems and resolutions in the plot and what are the most important parts of the story. In Maths we have continued to work on multiplication with grouping and arrays. We have been looking at human and physical features in Geography this week. We have also seen some beautiful art inspired by Henri Rousseau. Keep the brilliant home learning coming Year 2!

Year 1

Barley Aleph and Barley Bet

It has been another fun packed week with huge amounts of home learning taking place. We've had story times, practical Art, DT and Music sessions, super tricky Maths challenges, phonics workouts, family dances and much more! We are super proud of each and every one of you! We would also like to say a thank you to the parents for all your hard work in supporting your child and facilitating the learning at home, we know how challenging it must be!

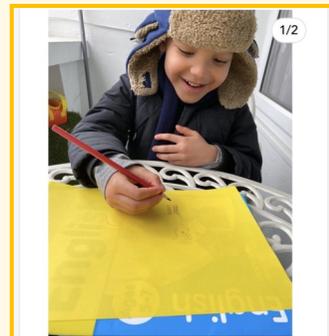

Fig Aleph

This week Fig Class welcomed two teachers Mr Lawrence & Miss Burford from Roehampton University, look out for their lesson on Seesaw. For English this week we have been developing our descriptive writing. In Maths, we have been finishing our block of learning on division and multiplication. We have started looking at our new topic of plants, learning about the different parts and their functions.

The colourful cloth talked to them: "Oh yes it can". "Alyeee" screamed the hardworking farmer, fisherman and the weaver out of fear. As they were running up hill and down down hill and up hill they saw a woman swimming in the sea.

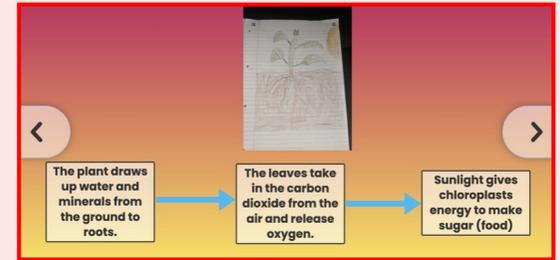

Write a descriptive story opening.

One day the farmer and his dog went out to gather some gums. The shimmering hot sun was burning bright like a candle in the sky. The grass was forming like ice melting. The farmer heard music from the village, the sound was like little pipes it was a lovely sound. He went to get some gum.

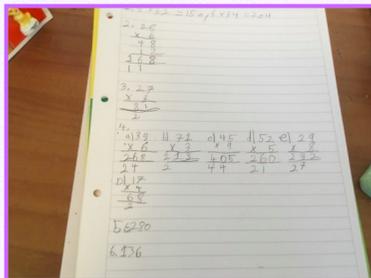

Olive Aleph

This week we have been creating ideas that we are going to turn into play scripts. We will turn these into stories first and then move on to turning those stories into play scripts. Our Maths this week has focused on division using two methods - partitioning numbers and the short division method. We have been reading books to share with the Class and recording these to post to our blog. Science has been looking at the process of photosynthesis and how plants get their energy. We have also been joining in with Joe Wicks' live PE lessons- it's been hard but fun!!

Pomegranate Aleph and Pomegranate Bet

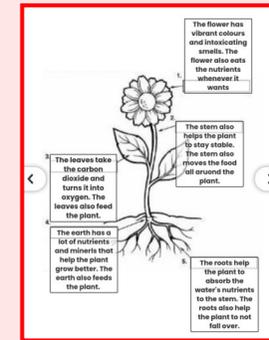

This week Year 4 have defiantly been working hard in all subject areas. For English we began a new topic looking at how to write a news article and its features. During Maths we began looking at multiplying and dividing 2-3-digit numbers by 1-digit numbers, let me tell you Year 4 have been grasping the concepts. In topic we continued our tree of life project, did a PE workout with the body coach and students were also given the opportunity to create their own workout to share with the class. Jewish Learning, Art and Music was also covered and student's engagement in those subjects was fantastic.

Multiply 2-digits by 1-digit

Use a grid to multiply 20 by 6. 20 x 6 = 120

Use a grid to multiply 8 by 8. 8 x 8 = 64

## Date Aleph

Year 6 have been very busy this week! In English, we have been reading more of our text, Letters from the Lighthouse. We have used the main character for inspiration for the monologues we have written and we are excited to perform and share these on Friday! For Maths, we have been building on our learning of fractions and have also been able to use our previous learning on decimals to help us! In Computing, we learnt about simple algorithms and cannot wait to make our own number game next week! Last but not least, our learning hasn't stopped there: some of us have shared delicious recipes and posted our artistic creations on the class blog to inspire and give ideas to the rest of our class.

## Achievements

Teachers will be choosing children for their names to appear here soon.

Dear Parents and Carers,

So you think you know your music?

Join Friends of Mosaic for a night of music bingo on the 30th of January!

Music bingo is a fun spin on traditional bingo with songs, lyrics and clues instead of numbers on your card.

Can you be the first to mark off the clues and call BINGO?

Great fun for the whole family with music for all ages!

Visit [www.friendsofmosaic.co.uk](http://www.friendsofmosaic.co.uk) to get your tickets.

Friends of Mosaic

**FAMILY MUSIC BINGO**

**SO YOU THINK YOU KNOW YOUR MUSIC?**

BINGO! NO NUMBERS - JUST SONGS AND SOUNDTRACKS!

MARK OFF THE CLUES AND BE THE FIRST TO CALL BINGO!

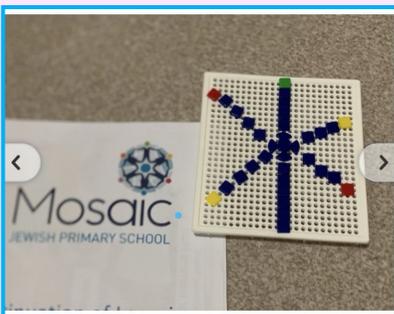

JOIN US 30TH JANUARY 7PM

VISIT [WWW.FRIENDSOFMOSAIC.CO.UK](http://WWW.FRIENDSOFMOSAIC.CO.UK) TO GET YOUR TICKETS

**£5PP  
£10  
FAMILY  
TICKET**

Last week children were set a competition to create a structure at home that linked to Mosaic in some way. We were blown away by the entries, you are all fantastic!

Teachers and House Captains narrowed them down and the winners are:

**2nd Place - 25 House Points**  
**Nicholas - Year 4 - Tzahov House**

**1st Place - 50 House Points**  
**Lorenzo - Reception - Yarok House**

**3rd Place - 10 House Points**  
**Isabella - Year 1 - Tzahov House**

Congratulations to our Head Boys and Girls for contributing to our Virtual Open Day this week.

**Caspar**  
**Head Boy**

**Sapphira**  
**Head Girl**

**Alfons**  
**Deputy Head Boy**

**Nina C**  
**Deputy Head Girl**
