

Friday 28th January 2022

Dear Parents and Carers,

I hope this letter finds you well. We have had a great start to the term and the children have settled in well.

Holocaust Memorial Day

This week marks Holocaust Memorial Day and the children have taken time to reflect on each other's difference and celebrate them with their classes. We all took part in a minute silence today where the staff and children took time to focus on the above.

Trips

Please make sure that you have checked your magic booking account and signed up. If you are able to support on the trip, please speak to your class teacher. Without adult support the trips may not be able to go ahead.

Assemblies

We are excited to welcome the whole school back to the hall for whole school events. Due to the COVID guidance and the high level of cases within the school, this has not been possible in recent weeks. We will continue to assess the situation and hope that we are still able to come together for all assemblies as a whole school.

Term Dates

The 2022/23 term dates are now on our school website. [Click here](#)

Communication

As a school we want to ensure that we are doing all that we can for the children and we identify that communication is an area that we need to develop further. We will start by adjusting our weekly communication with parents to the following:

Week 1: Letter from Headteacher or senior leader

Week 2: Video update from Headteacher or senior leader

Week 3: Letter from Headteacher or senior leader with Head boy and Head girl update

Week 4: Newsletter

In the coming weeks we will carry out a review of our communication with parents and address key areas of concern. We will need your support with this and will ask you to complete a questionnaire as a critical friend and provide feedback so that we can make the necessary improvements.

Thank you for your continued support.
